Summer School Policy at AHS

Guidance Director David Skolnick of the Agawam High School announces the following summer school policy:

Students who attend summer school and who receive a grade of "B" or better will receive credit for summer school work without taking an examination.

Students failing to obtain a grade of "B" must take an examination given by Agawam High School providing they pass their summer school courses.

All students who have private tutors must take an AHS examination at the high school.

These examinations will be given on the day after Labor Day at 1 p.m. in the Agawam High School, September 8th. NO ONE IS EXCUSED FROM TAKING THIS EXAMINATION!

The examination administered by Agawam High School will be marked "Satisfactory" or "Unsatisfactory".

If the examination is marked "Unsatisfactory", the student will not be allowed to receive credit for his summer school work.

If the examination is marked "Satisfactory", the summer school mark will be entered on the student's cumulative record form with credit.

At the Agawam Lions Club meeting last night, District Governor-elect Arthur Tinney of Cheshire installed the new officers for the coming year. His remarks on Lionism were sincere and augured well for his administration commencing at the International Convention at Toronto in about a month.

At the meeting of the outgoing and incoming Board of Directors, it was voted to sponsor a player on the Post 185 American Legion Junior Baseball team and \$75 was allocated.

July 15th will mark the 10th year of the Golf Outing at Feeding Hills Country Club. Menu for the family-style dinner will be roast sirloin of beef, with all the fixings.

August 29th will feature the Tail Twister's party at the Sacred Heart Pavilion, and will consist of a steak roast.

Profile of a Lion

He is a respected citizen of his community.

He is reverent to his God, loyal to his country, and uncompromising in his devotion to both.

He raises his glass in the "Lions toast" and thereby acknowledges the concept of equality of all Lions the world over.

He recognizes authority, accepts responsibility and exercises self-discipline, realizing that only through proper organization can Lionism achieve its greatest goals.

He gives willingly of his time, energy, and substance to assist his community and the needy.

He meets regularly with his fellow Lions and through the common denominator of "friendship" confers, plans, and carries out the objectives of his Lions Club.

He is an ordinary guy, enjoys fun and good fellowship, although not perfect he is ever mindful of human concern.

St. Davids Auxiliary Has Annual Meeting

On recent date the members of St. David's Auxiliary held their annual meeting in the parish hall. Mrs. Virginia Lake, retiring president, gave a report reviewing the activities of the past year. Highlighting the report was the establishment of a permanent Missions relationship with the Episcopal Church of San Andres in Santo Domingo in the Dominican Republic. Through the years the Auxiliaries of these two churches will exchange thoughts, letters and gifts, looking forward to the time when representatives of each auxiliary will exchange visits. Like services of Prayer and Meditation are planned for the devotionals of the meetings and from this will ensue a stronger tie betwixt the two churches.

New Officers Elected

At the election of officers Mrs. Ruth Lafleur was elected president, Mrs. Virginia Lake, vice-president, Mrs. Betty Poggi, secretary and Mrs. Rene White, treasurer. These officers will appoint chairmen of the main committees of Auxiliary work—these being Christian Devotions—Christian Social Relations—Christian Education—Missions—Church Periodicals—United Thank Offering—College work and the National Cathedral. At the close of the meeting, members gave a standing ovation to Mrs. Lake for her fine work and leadership as President of the auxiliary.

Thursday, June 18, 1964

Senator Edmund St. John of Adams, and Allan Ralph Zenowitz of Great Barrington, have been appointed to serve on the Credentials Committee for the Republican State Pre-Primary Convention to be held in Boston, starting on June 20th. The announcement of the appointments was made today by Frederick Dumaine Jr., Chairman of the Republican State Committee.

Senator St. John represents the Berkshire District in the State Senate, and Mr. Zenowitz is the Republican State Committeeman for the Hampden-Berkshire District.

* * *

In the autumn of 1964, the citizens of Massachusetts from the Berkshires to the tip of Cape Cod will go to the polls to elect a new state treasurer.

I shall seek to be nominated and elected to this position.

I firmly believe that the time has arrived when the independent and honorable qualities of a woman are necessary to help pilot our ship of state.

Many recent Presidents have seen fit to appoint a woman treasurer of the United States. Ironically, however, in the long and glorious history of the Commonwealth of Massachusetts a woman has never been elected to this high state office. Women can make valuable contributions to government on both the national level and here in Massachusetts. The time has come for women to assume a greater role and share a greater responsibility

in our government on Beacon Hill.

I respectfully submit that my education, training, and experience qualify me for the position of state treasurer. I am a college graduate, a practicing attorney,

ney, and experienced in real estate and banking procedures. I have served as chairman and treasurer of the Boston School Committee, and I presently serve as a member of that historic body. I am the former treasurer of the Massachusetts Association of Women Lawyers.

WWLP TO TELECAST DEMOCRATIC REPUBLICAN STATE CONVENTIONS

Channels, 22, 32 and 14 will telecast the complete sessions of the Democratic State Convention in West Springfield on Friday, June 19th; and on Saturday, June 20th, will alternate the local pick-up with coverage of the Republican State Convention in Boston to give viewers the highlights of both meetings. WJZB—Channel 14 in Worcester will sign on earlier both days in order to bring complete coverage to Worcester.

Channel 22 will furnish pool video coverage of the Democratic sessions to all Boston television stations and to Channel 40. The WWLP Mobile Unit will be stationed at the Coliseum to control the four Channel 22 cameras set up throughout the hall to cover all convention activities.

Live coverage is scheduled to start at 1:00 p.m., Friday, and will continue through the afternoon. It will resume Friday evening following the banquet. The Saturday session is slated for 9:30 a.m., and will continue most

of the day. WWLP Program Vice President Jerry Barnes will be in direct communication with the Boston Arena and the Coliseum throughout Saturday, and will put on the air whichever meeting has the most important action at any given time.

News Director Ed Kennedy will supervise the coverage.

playing might cause one to dart in front of the vehicle.

"Sometimes when I stop where several children are congregated some of them even crawl over or hang on sides of the vehicle and this, of course, is extremely dangerous. This is a particular problem with the pre-school youngsters. Occasionally before I can move on to the next box it is necessary for me to alight and walk around my vehicle to be sure that all of the children are out of the way.

"As you can see, these conditions not only constitute a real hazard to the children, but also make it difficult for me to complete my rounds by the appointed time. I can assure you that I am taking every precaution within my power already and anything that you can do to further lessen the chances of an accident will certainly be appreciated.

"This letter is addressed not only to parents, but to patrons all along the route so that all of us together may be acquainted with this problem and work together with the thought in mind that it is much better to be safe than sorry." Yours for the Children's Safety, Your Letter Carrier.

Fabulous 6th Season

The first big Broadway musical of the summer season at Storowton Music Fair opens Monday, June 22, bringing handsome stage and screen star Jean Pierre Aumont and lovely Eva Gabor together on the circular stage in a romantic fable of love and intrigue, "Tovarich." Set in Paris at the outset of the Russian Revolution, the seemingly improbable plot that casts a Czarist Prince and Grand Duchess from the rank of nobility into the roles of servants, sets the stage for some highly amusing antics.

"Tovarich" is a Russian term of endearment, equivalent to the French "Mon cher ami" or the American "Comrade." As applied in the musical, however, the word is used deceptively by revolutionary agents attempting to lure the royal couple into a Bolshevik trap. At stake is 4 billion francs entrusted to the couple by the Czar. But the charming and personally impoverished Prince and Grand Duchess, clever enough to pilfer Parisian markets of enough daily food to sustain them in their poverty, are equally clever in outsmarting their pursuers and fleeing "From Russia With Love" with trickery and cunning that would make James Bond envious.

The fun begins when the emigres offer themselves as domestics to an American family in Paris. The Prince becomes a butler, the Grand Duchess a maid, and no family has ever had more endearing servants. Helen and George, the teen-age offspring of the household, manage to keep the loveable couple on their toes as they begin to feel the romantic tingle of young love in bloom for their remarkable "Torvarich," with its melodic ballads, energetic dances, and captivating stars, will be directed by Storowton Music Fair favorite Richard Barstow, and Zoya Leporska will

stage the dances. The musical will be offered for one week only beginning Monday, June 22. Curtain times are 8:30 p.m.; Monday through Friday; 9 p.m. Saturday; 2 p.m. Wednesday matinee; 4:30 p.m. Saturday matinee where a child under the age of 12 is admitted free with the purchase of each full-priced adult ticket.

PROMENADERS

AL AND ELAINE TAUPIER

Bob Kent, who hails from Warwick, Rhode Island, proved to be a very enjoyable guest caller. A nice crowd enjoyed dancing to his lovely, but smooth calling. Several of the couples learned a round dance to the record of Blame it on the Bosa Nova, taught by Bob Kent's wife.

Joe Gasperini, our new president, announced future plans for a new class in the fall with Dick Mastroianni as caller-teacher. The fun night has been scheduled for September 15, so all prospective dancers should keep this in mind.

Joe also announced that the closing of reservations for steak roast tickets will be extended to Saturday, June 20. Please contact Steve and Lucille Parchick for tickets. We are sure the evening will prove most entertaining.

We were glad to see Joe and Helen Draghetti back, after Joe's recent injury. Seems to be practically back to normal.

Dom and Arline DiClementi were on hand to serve refreshments.

Mt. Tom Premiere

Cesar Romero

matinee idol of millions, will open the Gala Season of Stars, at the Mt. Tom Playhouse, in the hilarious comedy "Strictly Dishonorable", June 22 thru June 27.

E.L. Stamp Club Contest and Picnic

A contest for the best coin and stamp exhibit will be the feature of the East Longmeadow Coin and Stamp Club picnic Sunday, June 28. The contest is open to all junior members and prizes awarded will be based on originality, neatness, and educational value. There will be surprise gifts for every junior member entering.

The picnic will be held at 2:30 p. m., at Dietrich's Grove Forest Park Dairy, 343 Shaker Road, East Longmeadow, Mass. Members may invite their families and guests. A small donation will be asked to help cover the cost. Last years picnic was a big success with a number of the younger members entering the contest. Junior Members — get busy with your exhibit and see if you will be winner this year!

Willy was sobbing bitterly. Between sobs he told the teacher, "I don't like school and I have to stay here until I am 16". "Don't let that worry you," consoled the teacher, "I have to stay here until I am 65".

Cesar Romero Opens Mt. Tom Playhouse

The Gala Opening is here — Monday, June 22 is the Inaugural Day for the new MT. TOM PLAYHOUSE in Holyoke. It will be the culmination of all the work and changes that Hugh Fordin has wrought in this short time, to give the theatre in Mountain Park, a change of policy, a change of name, a facelift, . . . a complete renovation of image for the theatre goers of the Pioneer Valley.

Opening this Premiere Season with Cesar Romero in the laugh riot "Strictly Dishonorable," June 22 thru June 27, Mr. Fordin anticipates a record turnout. Mr. Romero has long been a favorite matinee idol of motion pictures, TV and stage, and has been leading man to many of the top star leading ladies such as Carole Lombard, Sonja Henie, Betty Grable, Jean Peters and Greer Garson.

He has appeared in the Broadway production of "Dinner at Eight," "Spring in Autumn," and "Ten Minute Alibi."

Tickets for this 1st week of the

Mt. Tom Playhouse season are now available at the Box Office — Call 536-4780 for reservations or write Mt. Tom Playhouse, P.O. Box 1009, Holyoke, Mass.

Opening June 29 thru July 4 is Genevieve of TV fame who will star in the comedy romp "For Love or Money." Co-starring with her will be Donald Woods.

SPORTSMEN'S CORNER

By Bill Chiba

Earl Doucette, Maine Economic Development, reports that stripers are beginning to show up along Maine's southern coast, anglers are looking for another good season. While small numbers of stripers always have visited Maine waters it is only in recent years that enough of them have shown up to constitute a major sports fishing.

Stripers have accomplished something of a break through with Maine fresh water fishermen who heretofore have not had a high opinion of saltwater fishing. The out-of-stater has been

the one who has been having the time of his life catching the batters while on vacation in Maine. Now, more and more of the natives are having a go at the salt water species after trout and salmon fishing cools off. Use a fly-rod or spinning rod on a good sized striper and you have your hands full.

GOOD VACATION SPOT

The season for small-mouthed bass opened June 1 with fly and single-hook lures fishing only for the first three weeks, after that all natural and artificial baits may be used. Reason for the early flyfishing rule is that bass are spawning at that time.

Maine certainly has some of the best small-mouth bass fishing on the continent, and for a peculiar reason. With few exceptions Maine anglers don't fish for bass, even though this fish is probably the national favorite. Thus the bass fishing is left for the visiting anglers much to their satisfaction. Small-mouthed bass are distributed well over southern, central and eastern Maine. Hottest spot is far eastern Washington County where the fishing is so good that no one ever has been able to exaggerate it. Many anglers have taken 100 fish in a day, returning all but the limit, of course.

Atlantic salmon are being taken from Maine's eastern rivers, but not in great numbers. The fish are hanging back in the brackish water waiting for a good runoff that will toll them into the rivers. A real good rainfall is needed and the action

should be worth going miles to see.

For those of you have a hankering to try these rivers let me say again that you couldn't ask for easier access to fishing waters. U. S. Route 1 takes you across bridges handy to pools. Others are not more than a "five iron shot" from where you leave your car. No special licenses are required, you don't have to hire a guide. If the Atlantics are not hitting while you are there, you have scores of other waters where you can fish for landlockers, trout, and bass.

BIG OUTBOARDS

Johnson Motors claims that their high horsepower engines will troll almost as well as the so-called "fishing" engines. Early big-power outboards threw 'slugs' of raw fuel and oil into the combustion chamber at low speeds. This tended to foul spark plugs, causing the engine to die. Also, carburetion was a problem.

A new down hill induction system which minimizes the collection of fuel and oil in "low spots" and a drain system to remove these accumulations in the crankcase has helped to eliminate "slugs."

Multiple carburetors on the 60, 75 and 90 horsepower units eliminate the compromise of trying to feed four cylinders with one carburetor. Each cylinder has different fuel requirements because of differences in the induction and exhaust systems—with a single carburetor, one cylinder is running rich and the other lean. Multiple carburetion meets each cylinder's individual fuel requirements and produces better economy.

Little Rock is in Norfolk undergoing annual drills and inspections before cruise to the North Atlantic in early June. The ship is scheduled to embark 275 Midshipmen from the U. S. Naval Academy for the annual Midshipman Training Cruise, before leaving for the North Atlantic.

LEGION AUXILIARY UNIT NEWS

by Virginia Catchepaugh

Proud of Them? We Beam With Pride!

"It must be wonderful to be a Junior member of the American Legion Auxiliary in this June of 1964. It is such a thrilling time to be young, with such exciting progress and change ahead in this great, free America of ours. And it is a thrilling thing to be a member of America's greatest organization of patriotic women which is doing so much to help make sure that the principles of freedom always rule this land.

"There are nearly 100,000 Juniors enrolled in our American Legion Auxiliary this year, daughters of World War II veterans, most of them. They constitute one of America's largest youth groups, and they hold the hope of the Auxiliary for continuing service to community, state and nation. They carry out a broad program of activities designed to give training and to help in the endeavors of the adult members. Proud of them? We

beam with pride whenever we think of them!

"June is the Month of Junior—when they show us their work and we applaud their accomplishments. Every Unit should turn full emphasis on Juniors in June and give them the encouragement of recognition. In their little hands rests the future of our American Legion Auxiliary and, who knows, perhaps the future of our America."
